

PREMISES AND EQUIPMENT POLICY (updated June 2021)

Due to Covid 19 we are undertaking enhanced cleaning daily.

All equipment is chosen to be educational, fun and as part of a progressive learning curriculum. We do this by:

- Choosing only equipment and toys that are appropriate for the age and abilities of the children in our care.
- Choosing toys that conform to the relevant safety regulations.

Father's House, Shaftesbury has staff who maintains the whole building. Please refer to our Safety Policy.

Staff clean the toilets and kitchen daily. General cleaning happens weekly.

When the toys are selected at the start of each week, staff ensure they are safe and clean. We keep a log of when equipment/toys are cleaned.
